## FOREWORD

Welcome to the 61st Annual Toledo Area Artists' Exhibition.

I wish to express my thanks to all the members and committees of the Federation for their time and effort in planning this show, and to friends and donors who have supported our organization so generously.

We are especially grateful to The Ohio Arts Council for the grant which made it possible to substantially increase cash awards to artists for their prizewinning entries this year.

I would also like to extend our appreciation to the artists who for so many years have made this annual exhibition one of the most outstanding cultural events in our city.

The 61st annual exhibition has come about as the result of continued cooperation between the Federation and The Toledo Museum of Art. I would like to express our appreciation to Mr. Roger Mandle, Director, and the Museum staff for their support and assistance in handling the entries and installing the 175 works accepted by the jury.

I'm sure many people will enjoy this exhibition and pay the highest compliment an artist can receive by purchasing works of art from it.
